

To provide an innovative array of services and supports with individuals with developmental disabilities that enhance their quality of life, promote community inclusion and acceptance and foster each individual's unique ability to grow, learn and contribute to community. Services that are innovative and uniquely responsive to the changing needs of the individual and family within the changing landscape of the service environment. Maintain a person-centered focus where individual choice and self-direction guide services; developing opportunities that promote learning, community participation and good citizenship; promote and maintain environments that are safe, integrated, healthy, foster a climate of teamwork, respect and accountability for all; ensuring diligent stewardship of local, state, federal and donor fiscal resources. Ardmore is Ohio Department of Developmental Disabilities certified as Supported Living, Individual Options (IO) and Level One Provider.

POSITION DESCRIPTION: This home is specifically designed to meet the unique needs of individuals with autism. Staff working in this home must be prepared to implement consistent daily routines for each individual, be aware of environmental stimulus and its effect on individuals both in the home environment and community, be willing to complete additional training specific to autism, and have good written and verbal communication skills as part of a staff habilitation team. Staff must embrace the approach of person-centered services.

Responsibilities include direct care services in line with prescribed Individual Plan (IP) goals, documentation of programs including self-care skills, and community integration with regular transportation needs. Physical assistance is needed for all daily operations in the home, including cooking, laundry, cleaning and grocery shopping. Staff will also be responsible for providing hands-on assistance with bathing, dressing and toileting for two of the residents of the home.
