

To provide an innovative array of services and supports with individuals with developmental disabilities that enhance their quality of life, promote community inclusion and acceptance and foster each individual's unique ability to grow, learn and contribute to community. Services that are innovative and uniquely responsive to the changing needs of the individual and family within the changing landscape of the service environment. Maintain a person-centered focus where individual choice and self-direction guide services; developing opportunities that promote learning, community participation and good citizenship; promote and maintain environments that are safe, integrated, healthy, foster a climate of teamwork, respect and accountability for all; ensuring diligent stewardship of local, state, federal and donor fiscal resources. Ardmore is Ohio Department of Developmental Disabilities certified as Supported Living, Individual Options (IO) and Level One Provider.
